

ATTENTION

NEW ORLEANS AREA EVACUEES LIVING IN BATON ROUGE DO YOU NEED TRANSPORTATION TO AND FROM NEW ORLEANS?

LA Swift is an emergency bus service designed to transport displaced New Orleans-area residents with no transportation from Baton Rouge to New Orleans and back for jobs, job searches and similar recovery efforts. LA Swift will begin as a 15-day pilot program Monday, Oct. 31.

HOW MUCH WILL THE RIDE COST?

It's free! LA Swift is funded by FEMA in cooperation with CATS and NORTA (the Baton Rouge and New Orleans bus systems). It's being coordinated by the Louisiana DOTD and DOL.

WHEN WILL THE BUSES RUN?

The climate-controlled buses will make seven round trips a day, seven days a week. You can see the complete schedule on the reverse side.

HOW DO I GET TO THE LA SWIFT BUS STOP?

A free feeder bus will take you from the Groom Road FEMA community to the CATS terminal, 2250 Florida Blvd. You also can take regular Baton Rouge buses to the CATS terminal, but you'll have to pay the standard fare for the trip to the terminal.

Once you're in New Orleans, regular buses are running free of charge.

DO I HAVE TO RIDE A FEEDER BUS TO USE THE SERVICE?

No. You can use any form of transportation to get to the CATS terminal.

But **this is not a park-and-ride!** No parking is available at the Baton Rouge terminal.

WHERE WILL THE BUS TAKE ME?

From the CATS terminal, the buses go nonstop to the New Orleans pick-up/drop-off point, at Canal and Basin. From that point, RTA bus service is free.
